

Each kindergarten student will need:

One backpack or tote bag

For class share:

One box crayons

One box washable markers

One box "kind" tissues

For the first day:

A natural collection of 20 items, found by your child!

We will use these for counting, so they should be pretty sturdy, and fit in a large ziploc bag.

Some easy examples: 20 acorns **OR** 20 smooth rocks **OR** 20 pine cones-
be creative!

Please label the ziploc with your child's name, and identify the object.

We are looking forward to a fantastic year!!

Ms. Nealis & Mrs.Gould
