Dear Parents and Guardians:

At Worcester Central School safety is our absolute highest priority. We also know that communicating events with parents is extremely important. Today, October 29th at approximately 2:45 p.m., we were notified by the 911 dispatch that the NYS Police Department was involved in a situation on Main Street and recommended we go on "Lockout". As a result, WCS immediately initiated our Lockout procedures. We are very proud of how our students and staff responded to this incident by following our established procedures.

Open communication with students and parents on safety matters is important and I wanted you to have accurate and timely information about this incident. I would also like to encourage you to speak to your child about the importance of practicing and following procedures in all situations. I thank you for trusting us with your children and assisting us in keeping our school community safe.

Sincerely,

Tim Gonzales
