

Required Health Screenings

As mandated by the State of New York, the required health screenings listed below will be performed throughout the school year. If these screenings have been performed at the yearly healthcare provider's visit, then they do not need to be repeated in the school's health office.

Vision:

All new students and students in Pre-K, Kindergarten, and grades 1, 3, 5, 7, and 11.

**As per the Commissioner's Regulations all vision screenings will be provided to the parent/guardian in writing.

Hearing:

All new students and students in Pre-K, Kindergarten, and grades 1, 3, 5, 7, and 11.

Scoliosis:

Grades 5 and 7 for girls.

Grade 9 for boys.

If an issue is found by the school's health office the parent/guardian will receive a phone call and documentation.

If you have any questions or concerns please contact the WCS School Nurse either by email, rpasa@worcestercs.org or phone: 607-397-8785 ext. 126.
